

VACANCY

ASSISTANT MANAGER – COSTING (NEW VENTURES)

| RESPONSIBILITIES | REQUIREMENTS |
|--|--|
| Prepare costing for inquiries from the New Venture department. Perform cost calculations for Services, Projects, and standard product inquiries. Assist in the costing process for major tenders (e.g., TNB, SESB, SEB). Support monthly DFT (Demand Forecasting Template) costing analysis. Update and maintain foreign exchange rates and LME data post-month-end closing related to New Ventures requirement. Analyze hit rates to evaluate the competitiveness of submitted costings. Collect and prepare data for costing sheets (products, trading, projects, redruming). Prepare monthly costing reports for submission to Management. Record and update minutes of costing meetings. Maintain and update costing databases (new products, delivery locations, market vs quoted prices). | Bachelor's Degree in Accounting, Finance, Economics, Engineering, or related field. Minimum 3 years of relevant experience in costing, preferably in manufacturing, trading, or project-based industries. Strong analytical and numerical skills with attention to detail. Proficient in Microsoft Excel; familiarity with ERP systems is an advantage. Experience with tender costing and pricing strategy is highly desirable. Good communication and presentation skills. Able to work independently and in a team under tight deadlines. High level of integrity and professionalism. |
